

# CREATURES OF THE NIGHT

When we go to bed, other animals are just waking up. Join City of Spartanburg staff as we experience the "creatures of the night" along with their sights and sounds in the forest. We will learn about some Halloween animal myths as well as participate in a spooky scavenger hunt. Beware- there will be a minor level of spookiness! Please dress for the trail and the weather. Costumes are welcome!

Transportation will be provided for the first 13 that register. Bus will leave C.C. Woodson Community Center at 6:40pm. Others may follow or meet at the trail.
