About the Hub Love Project

The "Love Where You Live" Campaign is a grassroots movement designed to promote buying local and general support of the Spartanburg community. The purpose is to support local businesses and economy, grow the vibrant economy that is special to Spartanburg, and to educate its citizens on the importance of thinking locally first when making consumer choices.

A very special thank you to the tremendous assistance provided to the City of Spartanburg by members of the Upstate SC Geocachers Association. This initiative would not have been possible without this invaluable help.
