

# MARY BLACK RAIL TRAIL EXTENSION

The City of Spartanburg is in the design development phase of extending the Mary Black Rail Trail (Palmetto Trail) into downtown, connecting to Barnet Park. The City is committed to a facility that will retain the trail users' experience and will be inviting to all ages and ability levels.

The Mary Black Rail Trail Extension route will continue the existing trail from Henry Street, along Union Street to Kennedy Street and then travel west on Kennedy Street to Converse Street and Barnet Park beyond.
