CRITICAL COMMUNITY CONCERNS

2023 Focus – Anticipated Opportunities

- **Continue partnerships to impact/reduce homelessness, drug use, and address behavioral health concerns**
- **Real Time Crime Center – enhance technology – educate potential partners on the benefits of community camera sharing**
- **Monitor trends that impact community safety**

Conclusion

We are all responsible for the safety of our community!

“The Police are the Public; the Public are the Police. The Police are paid to give full time attention to duties that are incumbent upon every citizen in the interest of community welfare and existence.” – Sir Robert Peel
