INTERNATIONAL FESTIVAL

•International Festival has 3 festival stages. There are also opportunities for street performers. This is a community based event and performers that donate their time are greatly appreciated.

•If a sample of your entertainment is NOT available online, then you must submit a demo with the application. Application and materials submitted become the property of International Festival and will not be returned.

•All entertainment must be suitable for a family audience. Inappropriate language will not be allowed and may result in removal of artist or discontinued performance and forfeiture of fee.

•No pyrotechnics allowed.

•Sound, lights, and staging is provided by a professional production company including a sound engineer/mixer.

•All entertainers'/performers' merchandise to be sold must first be approved by Spring Fling coordinators. The location of sales at the event must also be approved.

•While we make every possible effort to provide a comfortable environment for our entertainers, please understand that this is an outdoor festival - **there are no dressing rooms** and the performance is rain or shine unless weather is deemed unsafe with thunder and lightning.

•In the event of inclement weather, the International Festival staff and Public Safety Department will make a decision whether or not to hold the performance. **No payment will be made in the event of cancellation of performance unless the band is already set up.**
