Food & Beverage Concessionaires Electrical Needs Worksheet

Exhibitor Name: _____

All power for Spring Fling vendors is supplied through generators that the City rents. The quantity and sizes of generators the city rents is completely based on the needs of individual vendors. It is for this reason that you must complete this form **very carefully**. We will only be prepared to handle the voltage and amperage you have indicated on this form. List all electrical equipment such as cook-tops, fryers, broilers, fans, toasters, refrigerators, microwaves, multi-outlet strips, etc. Each booth will be inspected to prevent circuit overload. Any equipment not listed is subject to removal.

YOU MUST COMPLETE THIS SECTION - "SAME AS LAST YEAR" IS NOT ACCEPTABLE

What specifically will you be plugging in? (List each thing. Note: A power strip is not "one thing". If you have a power strip with 4 plugs on it please list it as such.) Also, if you have anything that has an "unusual" plug, please include a picture of it.

Based on the above information,		
I need _____ how many?	110/15 amp plug(s) at a cost of \$75 each	Total \$ _____
I need _____ how many?	220/50 amp plug(s) at a cost of \$125 each	Total \$ _____
Please make sure this information is accurate! You will only have the plugs you request.
