This is to certify the above is a true statement of the business done or transacted at or through the above location. The information reported corresponds with the books and records of the business. The exact amount returned as **TOTAL GROSS REVENUE** from this business or profession as reported herein is true and correct. I am familiar with the City ordinance providing for penalties and revocation of this license for making false or fraudulent statements in this application. The books of this business are available for inspection by authorized agent of the City. The issuance of a business license is conditional upon compliance with the ordinances of the City of Spartanburg and failure to so comply may result in revocation of the license in addition to other remedies.

Printed Name Signature of preparer Date

INSTRUCTIONS FOR FILING A BUSINESS LICENSE APPLICATION

General Guidelines:

Every person engaged in or intending to engage in any business, in whole or in part, in the City of Spartanburg shall file with the Finance Office a Business License Application form, under oath, for a license to engage in such business. All businesses must obtain a business license prior to beginning operation inside the City limits.

- Print or type all information clearly. Complete all blank areas and sign the application to avoid delays in processing. This application will **not** be processed unless all requested information is provided and is legible.
- Verify all pre-printed information and correct any errors.
- Resident businesses must apply for their license renewals and pay the license fee in full by the last business day in April to avoid penalties. Nonresident businesses must apply for their license renewals and pay the license fee prior to beginning work. Business License Adjustment forms should be used to upgrade licenses for additional revenue/ contracts/ jobs/ work/ change orders received within the same calendar year.
Businesses that fail to purchase the license after formal notification shall be subject to a Municipal Summons.

Specific Notes by Section:

2. The Legal/organization name is usually a corporation, partnership, or owner's name (individuals should list last name first). The name that you are Doing Business As (DBA) appears on signage, vehicles, uniforms, business cards, and online/ phone book listings.
4. The six-digit North American Industry Classification System (NAICS) Code used on this application should match the NAICS code used on your Federal Tax return if you are a Resident Business. Nonresident Businesses should use the NAICS code that reflects the majority of their activities within the City.
6. If you are opening a new business, please list the estimated opening date. If you have closed, please list the closing date and return form.
10. Businesses located **inside** City limits must report total gross income, whether derived from inside or outside of the City limits. Be certain that the reported gross income correspond with the records of the business and with the return filed for the corresponding year with the US Internal Revenue Service, SC Department of Income, or Insurance Commissioner. Businesses located **outside** City limits report income earned inside the City limits only. Resident businesses are required to provide tax returns after their first year of operation.

Deductions from your gross income are allowed if you are a resident business that pays a business license tax to another municipality. The deduction is limited to the gross income that was reported on that license. Satisfactory proof of this deduction must be attached to this application before the deduction will be allowed. A business may deduct sales, use, or excise taxes if these amounts are included in the total gross income. Neither allowable ordinance deductions for resident businesses or adjustments for second year businesses may reduce the renewal license fee to an amount lower than the base fee. All businesses must pay at least the base fee.

The business license fee is based on gross income for the preceding calendar year or, in the case of Second Year businesses that were open for less than a full year during the first year of operation, on a twelve-month projected income based on the monthly average for the preceding calendar year.

License fees are not prorated for temporary or seasonal businesses or businesses operating for a portion of the year, because the license fee calculation is based on gross income.

11. Penalties are calculated at a percentage of the license fee, however, **the minimum penalty is \$40.00:**

Penalties for nonresident businesses:

- 15% if not filed prior to beginning operation/ work in the City of Spartanburg

Renewal Penalties for Resident Businesses:

- 5% if not filed or postmarked by the last day of April
- 5% additional for each month thereafter, until paid (i.e. May = 5%, June = 10%, July = 15%, etc.)

For help completing this form, please call the City of Spartanburg Finance Office at (864) 596-2055 or visit us at 145 W Broad Street.
