## **City of Spartanburg, South Carolina Purchase Assistance Process**

1. Read, understand and sign program application disclosures. Signed disclosures must accompany application.
2. Be pre-qualified/pre-approved by a participating lender.
3. Pre-qualification to participate in the program is subject to HUD required Part 58.8 Environmental Assessment to be completed by the City prior to purchase.
4. Prequalification in the program is subject to the City's International Property Maintenance Code Inspection. A property not meeting the City requirements will not be eligible for purchase by the applicant(s).
5. Schedule an appointment with the Community Works Carolina or the City of Spartanburg to submit your completed application.
6. Your application will receive an initial review from City / Community Works staff and you will receive a pre-award letter acknowledging receipt of your application. This does not reserve funding for you and all information presented will be verified. A final approval will not be awarded and funds will not be reserved until an executed contract is received.
7. Homebuyers must provide at least \$500.00 towards a down payment and closing costs.
8. All purchase contracts must contain the program's required addendum, which outlines program conditions and disclosures. Program requirements must be acknowledged by both buyer and seller.
9. Once your offer for purchase is accepted on the property, you will need to order your own appraisal and property inspection.
10. If funds are available, funds will be on a first come, first qualified basis.
11. Your lender will need your executed purchase contract to finish processing your loan.
12. You will be required to attend and satisfactorily complete a HUD Approved 8 Hour Homebuyer's Education Class. We advise you do this as early as possible to help you understand the home buying process. It is valid for 12 months. This must be on file before your scheduled closing.
13. You will sign a mortgage and promissory note for the purchase assistance you receive.

### **Mortgage Pre-Qualification/Pre-Approval Required**

City Staff will not be able to accept an application without a lender's pre-qualification/pre-approval letter. The lender will require you to complete a loan application and will review your credit, income and other standard loan information to determine if you qualify for a mortgage and how much you are able to afford. Interest rates, loan amounts and terms of any loan are subject to negotiation between lender and borrower. Throughout the process, the lender who pre-qualified you may request additional information from you to complete the loan application. You must be determined both income eligible for the purchase assistance program and able to secure a loan to receive assistance from the City.

### **Income Certification Process**

A third party will verify all household income information. The verification is required to determine your eligibility for assistance under the program guidelines. If you qualify for assistance, your income will be certified and you will receive a notice of eligibility. Should your income change after you were determined income eligible and assistance has not yet been provided, your program eligibility will have to be recertified.

City staff will review all final loan packages and inspection reports to determine program eligibility. All loan documentation, sales contracts and property inspections will be forwarded to Community Works Carolina by your lender. Once you have received a mortgage commitment from your lender, you must be sure that the City receives a copy of your Closing Disclosure to enable final compliance review with CDBG and HOME program rules.

The City of Spartanburg is not acting in any capacity relating to mortgage or real estate transaction. You agree to hold harmless the City of Spartanburg, any governmental agency, its officers, employees, stockholders, agents, successors and assigns from any and all liability that may arise due to you applying for any grant or mortgage or your purchase of any real estate. ***Applicants should always seek competent, professional legal advice when engaging in any real estate related transaction.***
